Flamingo Stainless Steel Carton Taper

Flamingo top-selling product package deal, Carton Taper with U2 Smart is easy to use and accurate box taper. Rugged and practical, box tapers automatically apply self-adhesive tape on the top and/or bottom of boxes for a full, secure, and uniform seal. Users benefit from savings from decreased tape usage, quicker packaging, reduced operator fatigue, and improved product appearance and protection. Includes motorized Industrial-grade case traction bands and entry/ exit extension roller conveyors.
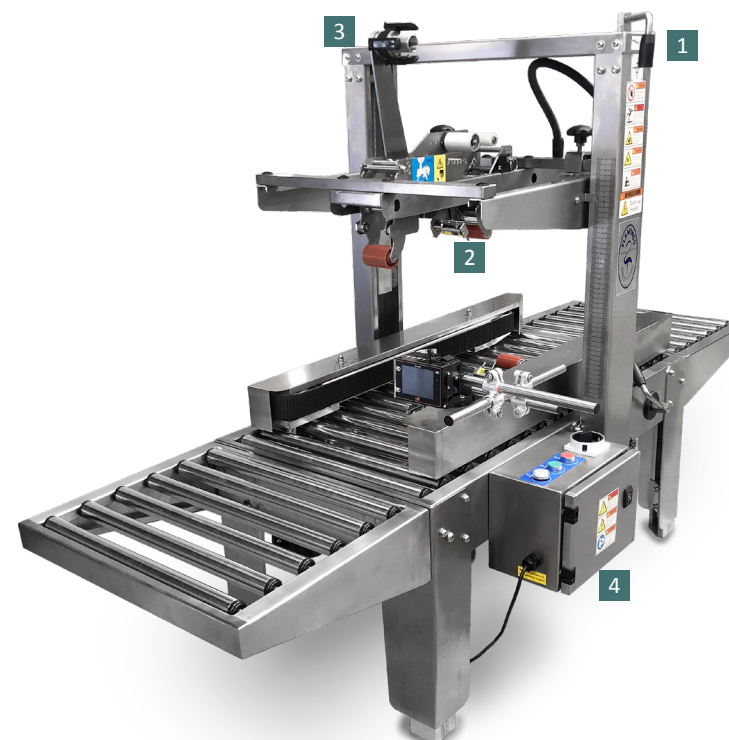

FEATURES:

- Tapes smaller boxes than most other machines available

- Generates no tape waste

- Versatile- Capable of closing a wide variety of case dimensions

- Applies tape onto cases accurately, uniformly and repeatedly.

- Upgraded tape head now accepts 2" and 3" tape.

- Excellent product presentation

- Quickens the taping process

- Reduces operator fatigue. On castors

- Easy to use and maintain

- Easy-change tape heads

- Adjustable Conveyor Height: 580 – 850 mm

- 2 high-friction conveying side belts

- Equipped with adjustable guide rails with measurement

- Box size adjustment made quickly and without tools

- Equipped with 50mm tape heads

- Includes infeed and exit roller conveyors

- Equipped with locking casters for ease of movement

OPTIONAL

- Material: Stainless Steel

- Extended Infeed or Outfeed roller conveyors

- U2 Smart Batch, Bar code, QR code and Expire date printer

Optional
